Infectious Diseases - establishment - infectious diseases hospitals - construction of I.D.Hospital - Alape village - R.S.32/1 (part), R.S.46/1 (part) - and 46/6 - extent 3 acres 2 cents - approval of site - information submitted.

Ref: Govt. Memo 5789-L-50-4-Health, dated 24-6-50. — p3 Copies not received.
Approval of the Director of Public Health, D.No.110 P.H./53 dated 12-8-53.

I enclose the proposals of land acquisition for the establishment of I.D. hospital outside the town. The Municipal Council at first decided that an area covering about 3 acres may be acquired for locating the I.D.Hospital. Consequent to the suggestions of Director of Public Health, Madras, in ref: D.No.110 P.H./53 dated 12-8-53 it was decided to acquire 2 more acres of land as per Municipal Council resolution No.1921 dated 14-11-53. On the representation of the people in these parts protesting against the proposal the Council resolved to address the Government in the matter for the purpose of over-ruling the the objections raised in the interest of public health. A report of the Municipal Health Officer approving the site selected for the entire scheme is enclosed. It is submitted that an infectious diseases hospital is quite necessary for providing treatment to chicken pox and small ~~xx~~ pox cases. I request that the Government may be pleased to overrule the objections from the local people.

Copy of Municipal Health Officer's remarks dated 22-12-53.

Retransmitted to the Commissioner, Mangalore Municipality.

It is seen from the letter ~~C/14-10-53~~ Roc.No.nil/53/D6 dated 29-9-53 from the Inspector of Municipal Cls. & Local Bds., Madras addressed to Commissioner that the Inspector has after the inspection of the Mangalore Municipality, expressed his opinion that the council may set aside the proposal of acquisition for the location of I.D.hospital in view of the fact that the Director of Public Health has said in the meeting of the P.H.Board that these sheds can be put up in the premises of General Hospital. But only cases of cholera and plague can be treated in the general hospital. But chicken pox and small pox cases will have to be treated in I.D.hospital.

The enclosed revised plans for the proposed acquisition of 5 acres and 2 cents of land at Padil village for the new I.D. hospital is approved.

"The site is suitable for the Infectious diseases hospital subject to the condition that the small pox and chickenpox wards should be located in the northern half of the site and the area should be walled as required by G.O.No.3212 dated 19-7-1940.

Only 3 acres and 2 cents are proposed to be acquired, View of the growing importance of the town and as the hospital will receive Dt. Boards cases also, it is suggested that at least 5 acres may be acquired which will allow of a better lay out of administrative buildings, buildings for washing and disinfecting and wards".

3. P.H.Committee resplution No.4 dated 13-10-53. This committee is of the opinion that the site selected is suitable and unobjectionable for locating an I.D.hospital. The Revenue Divisional Officer (Land Acquisition Officer) Mangalore had inspected the site in February 1953 with the Municipal Commissioner, Municipal Health Officer, Dt. Health Officer and the Town Planning Officer had opined that the site is suitable and is away from habitation. The Asst. Director of P.H. has inspected the site and has approved it and the D.P.H., has concurred with him. .This committee therefore feels that acquisition proceedings to acquire 5 acres in the locality to locate the I.D.hospital should be proceeded with, without further delay as there is no reasonable objection for locating the I.D.hospital at the proposed site.

Sub: Proposed Quarantine at Padil of Alpe village - Mass petitions submitted - further objections of the Alpe Panchayat Board.

=========:oOo:========

We, the Members of the Alpe Panchayat Board, South Kanara, Alpe village, Kankanady Post, Mangalore-2, beg to put before you the following few facts for your kind consideration and necessary action.

It has been brought to our notice repeatedly by the Alpe Villagers about their vehement protests and objections for the proposed quarantine at Padil of Alpe Village and copies of such petitions have come into our hands done by the villagers and submitted to Your Honour for the cancellation of the proposed quarantine at the aforesaid place.

In this connection we the members of the Alpe Panchayat Board, also beg to record our serious objections for such a quarantine and hope that the Government will be pleased to look into our objections and also give heed to the wishes of the people.

Further we beg to submit that the proposed site of the quarantine is centrally situated and as such any action to go against the wishes of the villagers would

be unjust and will not be in conformity with the fundamental rights guaranteed under Our Constitution.

May we, therefore, once again stress on Your Honour the necessity of cancelling such a proposal to open the quarantine at the proposed place and propose some other suitable place for the same. We, on our part, are absolutely agree with the views expressed in Mass Petitions submitted by the Villagers of Alpe about the dangers and inconveniences that would be brought on the Villagers of Alpe if the proposed quarantine is put through.

We, therefore, appeal to Your Honour to order cancellation of the proposed quarantine at the Padil Alpe Road.

Thanking you,

Yours faithfully,
